## Intensive Interaction Coordinator Course

### Study Blocks

15 - 17 Dec 2020	28 - 30 Sep 2021
2 - 4 Mar 2021	30 Nov - 2 Dec 2021
11 - 13 May 2021	18 - 20 Jan 2022
6 - 8 Jul 2021	

### Who is it for?

- teachers & teaching assistants
- speech and language therapists and assistants
- psychologists
- social workers
- residential staff
- NHS care staff

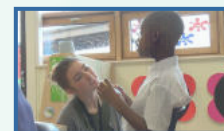

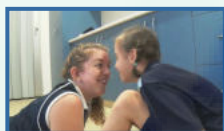

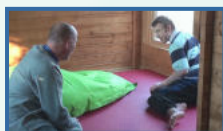

*There are limited places on this course in order to ensure that each participant receives the support they need throughout the duration of the course.*

**Closing date for applications**

**FRIDAY 13 NOVEMBER 2020**

open to all practitioners, of whatever qualification, or holding no qualifications except for their practical experience

*This course will be highly attractive to employers in that they will see the value of having a member of staff within the establishment or service who is an Intensive Interaction Coordinator.*

### On successful completion of the course an Intensive Interaction Coordinator will:

- be a good practitioner in the techniques of doing Intensive Interaction
- be able to train and mentor individuals and small staff teams in the practice of Intensive Interaction
- be able to give workshops on Intensive Interaction to groups
- be a continuing resource to their employing organisation - have knowledge in theory and practice about approaches to supporting the implementation of Intensive Interaction within an organisation
- have read and be knowledgeable about all publications and theories on Intensive Interaction
- be knowledgeable about much of the underlying research theory on parent-baby interaction & natural human learning
- be knowledgeable about many of the issues and associated theories, e.g.: touch, age-appropriateness, developmental theories, the history of psychology and the place of Intensive Interaction, autism theories and history, communication work in the field of learning Disabilities

### Course tutors

Amandine Mourière

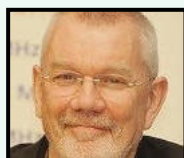

Graham Firth

*The course includes reading and becoming familiar with the underlying research. However, course tutors are experienced in helping all practitioners to become comfortable with the academic components.*

Course Assessment Continuous assessment by course tutors

Course Fee £4300 to include lunch & refreshments on Study Days

*This does not include accommodation costs. Participants need to make their own arrangements for accommodation*

Dave Hewett

Lynnette Menzies
